Testimonials 2025

Abhang Prabhu Tutorials is the perfect coaching centre for NEET Biology. Dr Abhang Sir and Prof Sachin Sir's and the approach of all the biology teachers towards Biology is ideally designed to meet the requirements of this competitive exam. From focusing meticulously on NCERT lines to detailed explanations, we got a vivid understanding of biological Concepts. The teachers create a cheerful atmosphere in class, where each student can open up freely thus allowing all doubts of inquisitive minds to be answered without any judgement or bias. This conducive environment encouraged us to be consistent in our studies too. Further their testing pattern is apt, giving equal

importance to myriad question types, so the student can approach chapters in different ways, both theoretically and pictorially through diagrams. APT has also helped with board exam, by keeping lectures for non-NCERT topics, giving theory papers for boards both topic wise and prelims, and taking last minute revision lectures too. They've guided us accurately throughout these 2 years and have held our hand through all highs and lows we faced in this journey.

We are very happy with the way Biology was taken care of by APT. We thank Dr Abhang Prabhu, Prof Sachin, Dr Phemie Ma'am, Prof Mandar and the entire APT team for their invaluable contribution in cracking NEET.

I am extremely thankful for the guidance given by Prabhu Sir, Sachin Sir, Phemie Ma'am, Prof Vipul and the entire APT team. They ensured our two year journey was as smooth as possible.

The systematic approach to tackling studies was of utmost importance and paved the way to success. The importance of reading the NCERT repeatedly was instilled in us from day one. The timely Sunday tests, DCTs, vivas and chapterwise fill in the blanks increased our understanding of the subject.

The teachers were always supportive and approachable and motivated us to do our best. They also highlighted the importance of a healthy diet and a fit mind. It was because of our level of preparation in that we could go about solving this year's NEET biology paper confidently.

Poorva Londhe, NEET 2025, Bio -355/360, Total 594/720

APT has been a true light house in the sea of biology. Preparing for NEET has never been easy but due to the guidance of Prabhu sir, Sachin sir, Phemie ma'am, Prof Ninad and the rest of the faculty biology was never a worry.

Their exceptional teaching, tricks, mnemonics and their persistence to regard NCERT as the Bible needs mention. They left literally no page unturned.

Sunday tests, DCT's are systematic and purely NCERT. Online lectures are conducted methodically. Even the staff is always supportive. APT can bring a level of confidence in biology that can be a game-changer. Every topic and sub-topic is revised multiple times. The system itself is impeccable.

They do not just prepare us for biology but for a mental battle that accompanies the exams, keeping motivation and competitive spirit high at all times. Our entire batch trusted APT, and I am grateful to have been a part of this institute.

We are extremely grateful to Dr Prabhu Sir and Sachin Sir of APT for their untiring efforts and guidance which helped our son Juzer Malbari accomplish a very good NEET score of 700 with an All India Rank of 82. Especially in the covid pandemic years, it was a huge challenge for them to train students for the vast Biology syllabus of NEET. The entire dedicated team of teachers have most effectively trained him. We extend our gratitude to the entire team of teachers for their excellent teaching and also the support staff for effective coordination.

Our Directors

Dr. Abhang Prabhu

Dr. Abhang Prabhu is a gynaecologist, who has completed his MBBS with a gold medal and 5 distinctions and MD [OBGY] again with a gold medal from GSMC and KEM Hospital, Mumbai. He also holds FCPS, DNB and DFP & D.G.O.

He is the director of

- **Abhang Prabhu Tutorials (APT)**
- **Clear Concepts Private Tutorials (CCPT), Mumbai**
- **Clear Concept Tutorials (CCT), Sangli**
- **Abhang Prabhu Medical Academy APMA, Pune**

He started his teaching career as a lecturer at GS Medical College. Later he went on to conduct private tuitions in Biology, for XI, XII, and has coached students for various medical entrance examinations since 2003.

He believes in guiding the students not only for consolidating their concepts, but also instils the courage and confidence needed to tackle the tough and tricky questions. He is well known for his simplified teaching skills by giving excellent examples from daily anecdotes.

Prof. Sachin Haldavnekar

Prof. Sachin Haldavnekar is Msc (Endocrinology), B.Ed. He has a longstanding experience of 33 years in teaching Biology to Class XI & XII and medical entrance aspirants.

He is the director of

- **Abhang Prabhu Tutorials (APT)**
- **Abhang Prabhu Medical Academy APMA, Pune**

He has been associated with reputed coaching institutes in Mumbai such as Agrawal Classes, Dadar, Since 1990.

He has been the founder member and director of Science Parivar's S. P. Classes, Since 1999.

Having graduated in Botany as well as Zoology, has given him a great advantage of handling entire Biology subject with ease.

Imparting subject knowledge in depth with simplification has been his unique talent of teaching.

In his teaching career so far, he has produced many merit rankers in various medical entrance examinations.

Dr. Phemie Fernandes

BDS (Mumbai), M.Sc (Psychology)

Dr. Phemie secured admission in NAIR hospital Dental College, Mumbai Central through MHT-CET 2000 and graduated with subject distinction. She has completed her Masters in Psychology which plays a pivotal role in interacting with parents and counseling students.

Along with her dental practice, she began her career in teaching biology in 2005. She has been associated with reputed coaching institutes such as S.P. Classes since 2007.

Since 2013, she has been teaching biology full time for XI, XII and medical entrance examinations MHT CET and NEET and has been associated with Clear Concepts Private tutorials and Abhang Prabhu Tutorials since 2013. She has also co-authored books for MHT CET and NEET for Jamnadas publications.

She is known for her skill of drawing immaculate diagrams and flow charts. Her love for Biology reflects in her exceptional techniques that immensely help students memorize even the most difficult concepts and excel in competitive examinations.
